REAL MEALS

We offer Real Meals for 4, 5 or 6 people

Place your order by calling ahead or ordering online to pick up after 3pm.

Select a protein and two vegetables in larger servings. Most are ready with 30 minutes notice.

When you are eating at home or on the go, Real Meals can answer "What's for Dinner?" Real Meals are served hot. They can be reheated in as little as 5 minutes, so you don't have to sacrifice quality when you are short on time.

Real Meals make great gifts for new moms, neighbors, teachers, or after a hospital visit.
